Dear Friend,

We would like to invite you to participate in our “5th Annual 5K Run/Walk for Mental Health Awareness”. Did you know that 1 in 4 Americans will suffer from a diagnosable mental illness. You have the opportunity to impact the lives of those around you, who may be affected with a mental illness. Your participation as a sponsor will help us fund the walk/run for Mental Health Awareness.

This is our 5th year and we are expecting more than 300 people to participate, we have grown every year. Tribuo has helped to fund family services, educate the public, fund research and counseling. Please help us to erase the stigma.
